I understand from Mr Jawaraja Rao Sesharao, whose services have been lent by the Mysore Municipality is both inefficient & corrupt, & that it is not desirable to keep him any longer in charge of the sewage farm. There is an opening with which I am fully agree the suggestion that the management of the farm may be entrusted to the Municipality posting in the charge of gardens in Bangalore in place of Mr Venkata Balappa, who will be wanted, I am told, to take in charge of the farm.

30) The request to give an enhanced initial salary outside the rules is not financially acceptable. He must get salary under the M.S.R. The loss of allowances for some special work cannot be continued or made good when an officer is transferred to a different office altogether. As his predecessor in office was not in receipt of a conveyance allowance there is no need to grant any such allowance to Mr. Nanjappa and create an inconvenient precedent.

31) Some concession seems to be called for here as Curator Mr. Nanjappa was getting a pay of Rs. 125, Conveyance allowance Rs. 25 & a permanent t.a. of Rs 30 or a total salary of Rs. 180 per month. As a result of the promotion, he gets a pay of Rs. 150 and nothing else with the result that his emoluments are reduced by Rs. 30 per month. I would suggest that as Asst. Supdt. his pay may be fixed at Rs 190 in the grade of 150/20/350. He will get the permanent t.a. he was getting.

36) The allowances of Rs.25/- and Rs.30/- that Mr. Nanjappa was getting as Curator in Mysore cannot be considered as salary and any increase in the initial salary now on that account is opposed to rules and unacceptable financially. It has also to be remembered that the said allowances will be paid to the successor to Mr. Nanjappa at Mysore and that Mr. Nanjappa would no longer be attending to the extra duties he was attending to, to earn the allowance.

37) Mr. Nanjappa's substantive pay is Rs.125/- and he is he is only made to act in the post on Rs.150-10-350. Under the rules he is entitled to get Rs.150/- in the first year and Rs.159/- in the second year and so on being one fifth of the stage pay of the acting appointment. It would thus be several years before he could get anywhere near Rs.190/- that is proposed to be given him now. To give him anything more than Rs.150/- on account of his having lost travelling allowances in a different post held by him previously is not therefore admissible. If he has

Sir,

With reference to Government Notification No.1765/C.B.80-34-6 dated 20-2-1935 ordering among other things the appointment of Mr K. Nanjappa, Curator, Parks and Gardens, Mysore, as Acting Assistant --- Superintendent, Government Gardens, vice Mr A.Rama Rao on other duty, I have the honour to state that Mr K. Nanjappa was getting Rs 180/- less 11/- or Rs 169/- as Curator, parks and -- Gardens, Mysore, as per details shown in the margin and in his officiating appointment he gets only Rs 125/- his pay and acting allowance of Rs 25/- or Rs 150/- being the minimum pay of the officiating appointment. The -- responsibilities and work of Mr K.Nanjappa as Acting Assistant Superintendent are greater and more onerous than that of the Curator and the radius of his inspection of gardens and parks in the Head quarters alone will cover up twenty miles a day.

1. Pay	Rs 125/-
2. Conveyance Allowance..	25/-
3. Supervision Allowance of- Krishnarajasagara gardens.	30/-
	Rs 180/-
Less amount deducted due to the retrenchment against item No.2 & 3	11/-
Actual amount I was getting- till now	Rs 169/-

I therefore strongly recommend that Government will be pleased to sanction Mr K.Nanjappa the second stage of increment viz Rs 190/- to start with towards his pay and Rs 25/- towards his conveyance, which he has been maintaining and without which it is not possible to do full justice to his works. The extra cost on this account may kindly be ordered to be met from the savings effected from the pay of the Garden Assistant which place has been
